

Pre Convention 2018

Out and About in Newark, NJ

June 29 - July 2, 2018

When you arrive on Friday, know that something is going to be wrong ~ very wrong. Help us figure out who done it in our **Murder Mystery!** If we all survive the opening party, we'll explore **Downtown Newark** on Saturday. A guided tour will unveil history, the park and the art scene. Then you will enjoy the sights and sounds at the **Grammy Music Experience**. We'll dine together before coming back to the hotel for afterhours. Sunday will bring a day tour to **Philadelphia**. Explore on foot, ride the hop on/hop off bus & enjoy the museums. We'll have dinner before taking the **Vampire, Sex and Ghost Tour**. Monday we'll get you into New York City to wet your whistle for convention. We'll be back in time for Convention registration.
